Label everything except Duo tangs

A Note from the P.E. Teacher

During our physical education classes, the students are constantly running, tumbling, and jumping. As a way to prevent the possibility of ankle or leg injuries, we ask that all students have properly fitted running shoes for the school year. The shoes must have non marking soles and be able to be secured either by laces or velcro. We ask that you stay away from slip ons or other street shoes as they cannot be tightly fastened and easily fall off while the students are in motion. If you have any questions or concerns, please feel free to contact us at the school.

Thank you for your cooperation
Mrs. Swain & Mr. Champion
